

Stepping down:

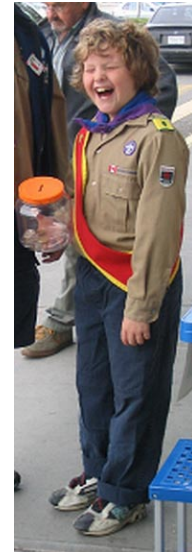

Louise enjoys the Sea Island Firehall tour

We will miss Louise Coatta who has been the Group Registrar for 5 years, supporting the 12th Richmond Scout Group as committed as the leaders today. Louise steps down due to her activities & family obligations leaving little room to continue as Group Registrar, which she handled with great efficiency, excellent organizational skills & maintained the detailed registration records per Scouts Canada. Add her sparkling wit and that 'wonderful floor length coat'; Louise added her 'touch of class' to our camps, events & activities.

Louise & Terry son's, Tristan & Spenser have been a part of the 12th RMD Scout Group long before she volunteered to take on the duties of Group Registrar.

We wish Louise and her family all the best and look forward to seeing them return sometime soon.
